FOREST KIDS

(Only available at Joo Chiat & Kovan)

Independent Playgroup for 18 months to 6 Years Old

At Forest Kids, we invite children ages 18 months to 6 years to explore, create, and grow through a blend of free play and guided activities that spark curiosity and joy. This programme offers a relaxed, engaging environment where kids can follow their interests and discover new ones.

Each session begins with an hour of open-ended play, where children can roam through indoor and outdoor play areas, get their hands in the soil with gardening activities, or dive into hands-on projects—all while our friendly mentors are there to guide, support, and encourage.

Following which, our experienced mentors introduce a variety of guided activities, from nature-based explorations to creative art projects, sensory play, and movement games. These activities are designed to ignite curiosity, build confidence, and inspire each child's unique sense of wonder in a relaxed and joyful way.

At Forest Kids, we believe that children thrive best through play and exploration. Every day, they have the chance to grow and learn in a setting that celebrates curiosity, creativity, and connection to the world around them!
